Discipline

The purpose of discipline is to help a child learn and use appropriate behavior, develop self-control and to learn to assume responsibility for own action.

Teachers will try to help the child understand that certain behaviors are inappropriate.

The child will be spoken to, redirected, engaged in something else and teacher will model appropriate behavior. Should a child need more than that, “removal from the group” may be initiated. Child can be removed from the group or activity for 1 minute per year of age.

We appreciate your help and ideas in dealing with your child.

If a child is dangerous to himself or other children, or to school property, we reserve the right to request the removal of your child.

Absolutely no physical and emotional punishment will be used with any child.
